Thanks for waiting, dear Master. ❤ Volume 1 will be on sale on the 22nd of April.

No way.

Huh?

メイド断固拒否!!

A maid's Firm rejection!!

Eeh?

Why don't I help to bear witness to the match

Well then, now about a cooking competition with the ribbon as the prize

I-i

is that so...

And so, without further ado, it begins!!

A cooking competition that puts the pride between girls on the line!

I am Houzuki and I will be presenting this event!

The exemplar image of a modern maid, participant Onimatsu! Let's show some enthusiasm, shall we?

uh ok I'll do my best.

On the other end, a little fancy high school girl, participant Fujiwara! Some comments, please?

It sure is lucky to be able to settle it in a match like this.

And we'll skip on the introductions for the customers that have been appropriately chosen as the panel of judges!

what!?

The dish for today is Nikujaga!

So let's get started!

TL. Nikujaga is a dish consisting of meat, potatoes and onion stewed in sweetened soy sauce

Seems like she's not well versed when it comes to cooking!

Conversely, Fujiwara's doing some researching on her smart phone!!

Oh my, Onimatsu's already preparing the vegetables with ease.

Such a splendid display of her skills! That's a maid for you

Look at the judges' faces going pale in response!

Time's up!

We'll leave it to the judges now!

On the other hand, Fujiwara's dumping in a bunch of unnecessary ingrediants. She sure is putting way too much originality into this.

Things are looking good with Onimatsu!

You can smell that fragrance of home cooked nikujaga lingering in the air!

お
お
お

Thanks for waiting

You can tell the dish really brought out an air of innocence and simplicity that has provoked in the judges the memories of their own youths!

Here it is, Onimatsu's cooking! A dish prepared by a maiden!

"Text" What the hell is this

な
な
な

Next, Fujiwara with her dish!

It's as though blood from a wound just spilled down and is being mixed with some meat ..!

what an odd shade of red I don't see how it's Nikujaga at all.

Wait a minute this is how do I put this

The judges who seemed to have sensed that egotism are turned off by it, looking as though facing some kind of undesirable object!

This is like the handiwork thought up by an overly calculating girl!

Well then, it's food tasting time!

that's enough, so let's just stop

No, no, hold on, that's my loss no matter how you look at it..

Well then, it's food tasting time!

LISTEN TO ME, DAMN IT!

This can't be done after all! I have no idea what I'm tasting!

What kind of dining scene is this!? It's more like a massacre!

Just spare me already.

It's time to announce the results!

Alright, now that we're done with the tasting,

There's no need to pretend that you're mulling over it so deeply!!

Judges, please raise the sign with the winner's name!

Ah...!

Th-the-

I ALREADY KNEW THAT!

鬼松

Onimatsu's the winner!!

鬼松

鬼松

THE VICTORY GOES TO ONIMATSU !!

I can see that both girls have got guts

Let's ask the judges for their views as well, shall we?

In particular, I could not hide my anger over participant Fujiwara's act of taking such a long time only to turn those valuables ingredients into something like that

I got really lucky, I think.

Right then, participant Onimatsu, what have you got to say about your hard earned victory?

Well then, see you. Work harder on your cooking, you got it?

That's no food for the living

Still, that sure was one horrible piece of cooking. You're better off just dying

What a shame that was.. but well, that's what it means to compete, so don't fret on it too much

Magical Girl Fujiwara still haven't got the chance to make her stand

That's a dime and dash, isn't it

The ten ribbons that have absorbed magical powers are right here!

I've managed to collect all the ribbons...

Profes-sor,

but I managed to perse-vere to the end...

It was indeed an ordeal,

Well, good job! Must have been tough for you!

Oh, is that so!

Why, isn't that great! With this, the citizens will sing praises of you as being a Hero of Justice!

You've really messed up big time now, Fujiwara!!

However, since I am part of the villains' camp, all your actions can't be considered justice, can they!

.....

thus marks the completion of my research. Now, you shall behold the dawn of the mightiest human!

I've been dreaming of it for a long time now

Having these ribbons, that have been imbibed with the magical powers of those ten modified humans, here in my hands

PROFES-
SOR...!!!

Fujiwara! It's all because of your envy for the hero of justice

that this grievous sin has been committed !!

In the end, you failed to become anything

You achieved nothing

And it's all because of your own jealousy!!

and in the end, it was all just for this huh..

I see, so it was all futile .. I went through all those hardships .

For I will surely use this power for Evil!!

Rest assured, Fujiwara

DON'T GIVE UP JUST YET!

N-no way...

YOU OBTAINED US AS YOUR COMRADES, DID YOU NOT!

IT WASN'T FOR NOTHING!

SO STAND UP!

YOU STILL HAVE US!!

IT'S THOSE BUNCH OF GUYS THAT ARE HERE!!?

small fries like those are no..

But since I have already attained this unparalleled level of power

Fu ha ha ha ha !!

...hmm?

Not bad, Fujiwara!

.. took you long enough to notice.

What the

what the hell's with this appearance!?

……

……

And thus

the incident that started due to my own ugly emotions

came to an end.

ドス

He just stabbed himself ..!!?

I realized that I've admired him

looking back,

I wanted to be someone like that

And to be able to stand on the same stage as him.

My repeated attempts to gain some form of achievement were a complete mistake

and said those words upfront

just gone ahead

If only I had plucked up my courage right from the start

Please allow me to fight alongside with you!
